Forecast For Southwest England
Issued by Met Office Exeter
at 1600 on Saturday 07 Aug 2021

++ Valid for broadcast between 1800 and 0600

Headline:
Further heavy showers and longer spells of rain.

This Evening and Tonight:
Most showers will ease through the evening, to give drier conditions for many. However, a few showers will continue throughout the night. Towards dawn a spell of heavy rain will cross the region, with further showers following. Breezy. Minimum temperature 13 deg C (55 deg F).

Sunday:
Another day of sunshine and showers, some heavy and thundery. The evening will be cloudier for all with outbreaks of rain in the south. Remaining blustery, particularly around the coast. Maximum temperature 20 deg C (68 deg F).

Outlook for Monday to Wednesday:
Further heavy showers on Monday, before a dry and fine day on Tuesday. Feeling warmer with light winds. Cloudier on Wednesday with some rain possible in the far west.
